D.O.Lr. No.557/SSA(RVM)/C2/2012 Dated: 07-09-2012.

Dear Sri Sheshadri,

Sub:-AP RVM(SSA),Hyd – Every school getting School/maintenance/teachers grant as per GOI norms – Not to entertain any centralized purchases or recommending names of any company products by the District Collectors – instructions issued – Reg.

\*\*\*

You are aware that under Rajiv Vidya Mission, every school has been getting school grant, maintenance grant and teachers grant as per the Government of India norms. Since small amounts are only available under these grants, the decisions regarding purchases out of these grants should be taken only at school level after due resolution is passed in School Management Committee meetings. However, in some of the districts, it is noticed that Collectors/POs.(SSA) are centralizing purchases out of these amounts, which is totally against RVM guidelines.

Therefore, I request that under no circumstances, neither centralized purchases nor recommending names of any Company products shall be done by you, out of these school/maintenance/teachers grants. The School Management Committee shall be given freedom to incur expenditure as per the norms.

With regards,

Yours sincerely,

PO RVM  
For due compliance with the instructions
