The Schools of Studies in operation currently are:

- School of Computer & Information Sciences
- School of Continuing Education

- School of Humanities
- School of Management Studies
- School of Sciences

Some of the other Centres and Units which in coordination with the academic, administrative and service wings have developed very useful and educative courses/programmes, are as follows.

- National Centre for Disability Studies (NCDS)
- Centre for Corporate Education, Training and Consultancy (CCETC)
- Centre for Extension Education (CEE)
- Advanced Centre for Informatics and Innovative Learning (ACIIL)
- Chair for Sustainable Development (CSD)
- National Centre for Innovations in Distance Education (NCIDE)
- Indian Sign Language Research & Training Centre (ISLRTC)

The emphasis is on providing a wide choice of courses at different levels.

1.5 Academic Programmes

The university offers both short-term and long-term academic programmes leading to certificates, diplomas and degrees, covering conventional as well as innovative programmes. Most of these programmes have been developed after an initial survey of the demand for such studies.

They are launched in order to fulfil the students' need for:

- certification,
- improvement of skills,
- acquisition of professional qualifications,
- continuing education and professional development at work place,
- self-enrichment,
- diversification and updation of knowledge, and
- empowerment.

1.6 Course Preparation

Learning materials are specially prepared by teams of experts drawn from different institutions and universities all over the country as well as in-house faculty. These materials are scrutinised by content experts, supervised by the instructors/unit designers and edited by language experts before they are finally sent for printing. Similarly, audio and video cassettes are produced in consultation with course writers, in-house faculty and producers. The material thus prepared is previewed and reviewed by the faculty as well as outside media experts and edited or modified, wherever necessary, before they are finally despatched to the students, study centres and telecast through Gyan Darshan.

1.7 Credit System

The university follows the "Credit System" for most of its programmes. Each credit is of 30 hours of study comprising all learning activities. A four-credit course, for instance, involves 120 study hours. The course weightage is expressed in terms of credits. This helps the learner to understand the academic effort one has to put in, in order to successfully complete a course. Completion of an academic programme (degree, diploma or certificate) requires successful clearing of assignments, term-end examinations of each course in a programme and practical components.

1.8 Support Services

In order to provide individualised support to its learners, the university has a large number of study centres throughout the country. These are coordinated by 30 Regional Centres. At the study centres, the learners interact with the Academic Counsellors and their peer groups, refer to books in the library, watch/listen to video/audio cassettes and interact with the Coordinator on administrative and academic matters. The support services are also provided through work centres, programme centres and skill development centres.

1.9 Programme Delivery

The methodology of instruction in this university is different from that of the conventional universities. The Open University System is more learner-oriented, and the learner is an active participant in the teaching-learning process. Most of the instruction is imparted through distance mode rather than face-to-face communication.

The university follows a multi-media approach for instruction. It consists of:

- a) Self-instructional printed material
- b) Audio-visual material
- c) Counselling sessions/contact programmes
- d) Teleconferencing
- e) Practicals
- f) Practical handbooks
- g) Interactive radio counselling (IRC); Gyan Vani and Gyan Darshan

2. UNIVERSITY RULES

The University reserves the right to change the rules from time to time. However, latest rules will be applicable to all the students irrespective of year of registration.

Any educational qualification awarded by the Private Universities established under the provisions of the “*Chhattisgarh Niji Kshetra Vishwavidyalaya (Sathapana Aur Viniyaman), Adhiniyam, 2002*” are non-existent and cannot be made the basis of admission to higher studies with IGNOU.

2.2 Incomplete and Late Applications

Incomplete application forms/Re-registration forms, received after due date or having wrong options of courses or electives or false information, will be summarily rejected without any intimation to the learners. The learners are, therefore, advised to fill the relevant columns carefully and enclose the copies of all the required certificates duly attested by a Gazetted Officer. **The form is to be submitted to the Regional Director concerned ONLY on or before the due date.** The application form sent to other offices of the University will not be considered and the applicant will have no claim whatsoever on account of this.

2.6 Counselling and Examination Centre

All study centres, Programme study centre, special study centres are not Examination centres. Practical Examination need not necessarily be held at the centre where the learner has undergone counselling or practicals. Regular counselling sessions will be conducted at the learner support centres provided the number of learners for a particular course is equal to or more than 10. If the number is less than 10 then in place of regular counselling, intensive counselling sessions will be held which essentially means that 40% of the number of prescribed counselling sessions are to be conducted within a weeks time.

2.7 Change/Correction of Address

There is a printed card for change/correction of address which is dispatched along with the study material. Printed Material

The print materials are the self-instructional materials for both theory and practical components of the programme. It is supplied to the students in the form of blocks. Each block contains 3-5 units. The university sends study material and assignments to the students by registered post and if a student does not receive the same for any reason whatsoever, the university shall not be held responsible for that.

Audio and Video Programmes

The audio and video programmes are supplementary, meant for clarification and enhancement of understanding. These are used during counselling and workshop sessions at the programme centre. Besides, the video programmes are telecast on the national network of Gyan Darshan.

Assignments

Assignments are an integral and compulsory component of the instructional system. There are only one tutor-marked assignments for each theory course. These assignments are to be submitted to the programme centre in accordance with the submission schedule provided separately in the programme guide.

From June, 2011 Term-End Examination, the University had made the submission of assignments mandatory for issue of hall ticket.

Counselling Sessions

Generally the counselling sessions will be held at the programmes centres during weekends (Saturdays and Sundays) and long holidays. Within the general schedule of the programme, the coordinators at the programme centres will decide on the conduct of these sessions. The

programme centre coordinators will also provide the counselling schedule. The counselling sessions will include clarifications required in the print material and audio/video programmes through active interaction with students.

Teleconferencing

To provide more clarity and understanding, two-way audio and one-way video facility will be used during teleconferencing at regional centres.

Interactive radio counselling and interactive programmes through Gyan Vani and Gyan Darshan will also be made available.

Conduct of Practicals

Practicals will be held in the schools and teacher training colleges/institutions identified as Programme Centres. As mentioned earlier, the practical courses consist of school-based, workshop-based practicals, practical oriented assignments and practice teaching. These activities will be conducted in the schools. Besides, two practical workshops of 24 days duration, i.e., 12 days each spreading over 2 years, with intensive face-to-face interaction to develop skills and competencies will also be organised at the Programme Centre or at any other suitable place. The student teachers will have to do practical work and various activities required for the development of teaching skills and competencies in the school under the guidance of the supervisor and principal/headmaster after taking due permission from the school concerned. Overall a student is expected to go through approximately 300 hours of contact time.

Evaluation

The system of evaluation, both for theory and practical work, is as follows:

Theory: For theory courses, evaluation comprises three aspects:

- a) Self-evaluation exercises within each unit of study (non-credit).
- b) Continuous evaluation in the form of periodic compulsory assignments. This carries a weightage of 30% for each course. One assignment in each theory course is compulsory.
- c) The term-end examination has a weightage of 70% of the total for each course. Term-end examinations will be held in June/December every year. But for the candidates of academic year (Jan.-2013), the first term-end examination will be held in December 2013 only for first year courses. The students will be permitted to appear in the term-end examination for the courses of 2nd year only in December 2014. The students are specifically instructed to send Examination Forms as per instructions given on page 8.

Practical : For Practical courses, evaluation comprises three aspects:

- a) Continuous evaluation of school-based activities and practice teaching.
- b) Evaluation of performance in practical workshops.
- c) Evaluation of practice teaching.

The student will have to obtain at least D grade in each course in both continuous and terminal evaluation separately. However, the overall average should be at least C grade for the successful completion of a course.

If a student has missed any term-end examination of a course for any reason, he/she may appear in the subsequent term-end examination. This facility will be available until a student secures the minimum pass grade, but only upto a period of four years from the date of registration.

The letter grade system is used for grading continuous and terminal examination components. These letter grades are:

Letter grade	Qualitative level	Point grade	Percent (%)
A	Excellent	5	80% & above
B	Very Good	4	60-79.9%
C	Good	3	50-59.9%
D	Satisfactory	2	40-49.9%
E	Unsatisfactory	1	Below 40%

The rounding off decimal pring in Grade card/Mark Sheet to the next mark in case decimal point is between 0.5 and 0.9 and no change in case it is between 0.1 to 0.4. (Please see notification attached).

The student will be declared successful if he/she scores at least C grade in theory courses and practical courses separately.

ENTRANCE TEST FOR B.ED PROGRAMME

INFORMATION HANDOUT FOR ENTRANCE EXAMINATION

Dear Candidate,

This booklet contains the sample question paper and other related information for Entrance Test for admission to B.Ed Programme of this University. You will be given a test booklet containing 100 objective type multiple choice question and a specifically designed OMR response sheet in the examination hall. You will notice from the sample test paper that it is different from the usual School/College examinations. It is, therefore, necessary for you to know in advance about the type of questions and the way in which you are required to answer them. This handout will help you in this respect.

STRUCTURE OF THE ENTRANCE TEST PAPER FOR B. ED.

The test paper will consist of two parts A & B. The total number of test items will be 100 of one mark each. Maximum Marks allotted to the test is 100. The composite time for the complete test is **Two Hours**.

	Aspects	No. of Questions	Marks
Part - A			
Section I	General English Comprehension	10	10
Section II	Logical & Analytical Reasoning	20	20
Section III	Educational & General Awareness	25	25
Section IV	Teaching-Learning & the School	25	25
Part - B	* Subject Competence (any <i>one</i>)	20	20
Section V	i) Science		
	ii) Mathematics		
	iii) Social Studies		
	iv) English		
	v) Hindi		

* **Note:** 1. Any one subject is to be attempted from Part-B.

2. The test items of Part-B i.e. Subject Competence will be based in the curriculum of IX/X classes prescribed by the NCERT/CBSE.

The number of questions in each section is indicative of general scope and design of the question paper. However, the actual question paper might some-what vary in its contents, their distribution and their level of difficulty.

All the above test items will be given in a composite test booklet, which will be printed in English and in Hindi. You may attempt the test in any order you like. Since the questions in

the test Booklet are objective type, answers are not required to be written in words or sentences. For each question, there are four answer choices suggested and only one of them is right. You have to select in right answer from amongst the given answer. **In case you find that non of the four alternatives is correct, you have to mark '0'.**

HOW TO FILL UP THE INFORMATION ON THE RESPONSE SHEET

At the end of this handout a sample response sheet is given. You may fill up your own information in this answer sheet so that you may correctly fill up the actual examination answer sheet in the examination hall. While filling up the OMR response sheet you should follow the following guidelines:

1. Write your complete enrolment no. in 9 digits. This should correspond to the enrolment number indicated as on your Hall Ticket. Also write your correct name, address with pin code in the space provided. Put your signatures on the response sheet with date in ink. Ensure that the Invigilator in your examination hall also puts his signatures with date on the OMR response sheet at the space provided. You should use only HB pencil to mark the answers to the questions on the OMR response sheet. **Do not use pen.**
2. Do not make any stray marks on the response sheet.
3. Write correct information in numerical digit in Enrolment No. and exam. centre code columns. The corresponding rectangle should be dark enough and should be filled in completely. For example, suppose your enrolment number is 145786159. Examination Centre Code is 0101. This information is indicated in sample answer sheet.
4. Each question is followed by four probable answers which are numbered 1,2,3 & 4. You should select and show only one answer to each question considered by you as the most appropriate or the correct answer. Select the most appropriate answer. Then by using HB pencil, blacken the rectangle bearing the correct answer number against the serial number of the question. If you find that answer to any question is none of the four alternatives given under the question you should darken the rectangle '0'.
5. If you wish to change your answer, ERASE completely the already darkened rectangle by using a good quality eraser and then blacken the rectangle bearing your revised answer number. If incorrect answer is not erased completely, smudges will be left on the eraser rectangle and the question will be read as having two answers by the Optical Mark Reader (OMR) and will be ignored for giving any credit.
6. No credit will be given if more than one answer is given for one question. Therefore, you should select most appropriate answers.
7. You should not spend too much time on anyone question. If you find any particular question difficult, leave it and go to the next. If you have time left after answering all the questions, you may go back to the unanswered ones.
8. There may be negative marking for wrong answers.

GENERAL INSTRUCTIONS
